

Special People at D.H.S.

We like to honor those who are outstanding in the academic fields at D.H.S. On this page only a few of the many who work hard and achieve success are pictured. Please let them represent all and remember that this school is proud of its record. On the far page at the top are those who took the Ohio achievement tests in science and math and below, the ones who took it in English and Spanish. Many ranked in the state.

Above are the top 15 seniors, minus the valedictorians and salutatorians. They are, row 1: Michelle Haney, Tom Morris, Lori Davidson, Joel Hamsher. Row 2: Chris Groh, Darren Farrell, Rich Minnis, Cora Holcomb, and Kyle Miller. Pictured at left representing the many who have won art awards, Patty Brown stands with two art works that helped her win a scholarship to West Liberty College.
